COURSEWORK / SKILLS

- Data Structure and Algorithms (DSA)
- OOP Concepts
- Java, Golang
- HTML, CSS, JavaScript
- ReactJS
- Web Development
- MERN stack development
- Bootstrap CSS

PROJECTS/ EXPERIENCE

To Do Notes [🔗](#) | ReactJS, Express, NodeJS, MongoDB

2022

- Created front end pages using **ReactJS** and **NodeJS** for backend and **API creation**.
- Used **Express** as **Web Application framework** to maintain server and routes.
- Used **MongoDB** as database and **Mongoose** as **ODM library** for connecting MongoDB to NodeJS runtime environment.
- Used inbuilt NodeJS library to use **JWT(Json Web Token)** for **web based token authentication**.
- Application to provide users, ability to **create, read, edit and delete** the notes and important tasks.
- Users can **create account and login** from the home page.

News Page [🔗](#) | React JS, HTML, CSS, Bootstrap

2021-22

- Developed **News web page** with multiple news categories.
- **Categories** include **Science, Health, Technology, Sports and Business**
- Used **React routes** to route to different category components and fetching the relevant news from a readily available new API
- Implemented **Spinner** for **better user experience** to show loading gif when it takes time to fetch records from the API
- Implemented **Infinite Scroll** feature to endlessly scroll the page for new records which **enhances user experience**

Coding Platforms

- **Leetcode**: Solved **157** Problems [🔗](#)
- **Coding Ninjas**: Solved **111** Problems [🔗](#)

TRAININGS/CERTIFICATIONS

- **Writing Clean Code** - Udemy [🔗](#)
- **AWS Cloud Essentials** Knowledge badge - **Amazon Web Services** [🔗](#)
- **AWS Cloud Practitioner Course** - **A Cloud Guru** [🔗](#)
- **AWS Certified Cloud Practitioner** badge- **Amazon Web Services** [🔗](#)

EDUCATION

Activity High School

2017

10th Std(ICSE) - Percentage - 90.5%

Pace Junior Science College(Dadar)

2019

12th Std(HSC) - Percentage - 80.3%

MHT-CET(Common Entrance Test) - **Percentile - 98.95**

Dwarkadas Jivanlal Sanghvi College of Engineering

2019 – 2023

B.Tech - Computer Engineering - CGPA(Aggregate out of 10) - 8.99
